

A Workshop from the New England Consortium of ACCE's
For CCCEs!

Center Coordinator of Clinical Education Training Workshop

Developing the Role of the CCCE In Managing A
Clinical Education Program

*Monday,
June 14, 2009
8:00 a.m. – 4:00 p.m.
Quinnipiac University
North Haven Campus, Building 1, room 280
370 Bassett Road, North Haven, CT*

This workshop is designed to provide Center Coordinators of Clinical Education (or those designated with that role and responsibility) with tools and information essential to planning, implementing and managing a clinical education program. It is open to both novice and experienced CCCEs. It is hoped that through a rich exchange, experiences will be shared, possible solutions to common problems will be offered and principles and guidelines for managing a clinical education program will be discussed. The format of this program includes lecture followed by discussion of cases and small group sessions. In addition to the topics outlined, there will be opportunities for participants to discuss additional topics that you feel are of importance.

TOPICS TO BE COVERED INCLUDE:

Review of the APTA Clinical Education Strategic Plan
Managing a Clinical Education Program
The CPI
Teaching Strategies
Legal and Ethical Issues
The Evidence Based Practitioner
